WELCOME TO THE CLUB

This is the first in what will hopefully be a long series of Journals serving the interests of the ACT. BMW. OWNERS CLUB members.

Although the good response to a small ad placed in the Motorcycle column of the Canberra Times, demonstrated the desire for a local club devoted to the BMW. marque, the initiative came from the chance roadside meeting of three people, each of whom happened to be riding an early model smoky black R90S. As it happened, these people not only thought a club would be a good idea but also had about the same thoughts on what it should be like. The proposed constitution included in this edition more or less reflects the ideas that came out of that animated conversation which happened one warm summers evening along Belconnen Way. You're urged to read the proposed constitution carefully, consider its implications and bring your ideas and criticisms along to the next meeting, the time and place of which are included herein.

Although nothing except adherence to the constitution is mandatory for members, the sum total of the club is the interest of its members and its fate will be decided accordingly. The constitution is merely to provide a structure within which the club can operate and a vehicle for continuity. Hopefully, in addition to providing the journal and other administrative functions the role of the committee will be merely to organize activities suggested by members.

AGM. REPORT

The first Annual General Meeting was held at Point Hut Crossing on March 29th. The following points were discussed and decided on:

- it was decided to produce and distribute a monthly Journal. This task falls to the committee, consisting of President, Secretary and Treasurer. It will initially be posted by ordinary mail until a Category B registration can be organized.
- a postal box (small) will be rented and used as a permanent address for the Club.
- Motorcycle magazines will be contacted to announce the formation of the Club.
- exchange of Journals with other clubs will be commenced.
- the Club will affiliate with national motorcycling bodies.
- membership cards will be printed and issued at a later date. A logo for badges and stickers will be designed. (Some designs can be viewed at the next meeting - Ed.)
- subscriptions will be \$10 for the next year.
- a draft constitution will be included in the first Journal. Also notices suitable for attaching to BM's seen around the place will be included.
- Committee members for the first year elected. (See front page-Ed.)
- a small classified ad will be placed in the Canberra Times in the motorcycle section for one month to advertise the Club.
- The MOTOR SPORT CLUB will be approached for the use of facilities for monthly meetings.

INFORMAL ACTIVITIES

There will be a contact number (Ph. [REDACTED] until further notice) which people wanting to go for a run on any weekend, public holiday etc. can ring when nothing official has been organized. People ringing will be put into contact with each other so that hopefully there will always be company for a ride (provided you can agree on where to go !)

BITS AND PIECES

For those who don't already know, IAN HAHN has a trade account with TOM BURN in Sydney and is able and willing to get you el cheapo parts provided you can wait a few days. If you want things yesterday add the cost of phone calls and air freight.

Ian, whose experience with BM's goes back about twenty years, also does repair work at a price that goes back about ten years, so if you need anything call Ian on Ph. [REDACTED] or [REDACTED].

We'd like to acknowledge the Queensland BMW MCC. whose constitution in a recent Journal provided a model for what follows. Ian Hahn is a member of the Queensland club and you can see his copy at the next meeting.
