Hi there!

It was very pleasing to see so many members turn up at our last meeting at the Hahn's place. Perhaps we should do a big supper and slides after each meeting if we could get the attendance up to 16 or more regularly.

Now, how can we encourage more members to come on the next ride? The last ride, to Gundaroo, was very pleasant for the few of us that turned up. (Even though some of our 'regulars' had to work, or forgot the date). So, if you haven't been on a 'Club run' lately, how about giving it a try, remember, it's your Club, and we want you to take part in the activities as well!

The meeting voted to allow our club members a 'discount' on the cost of our Kosciusko Rally. All entries received from A.C.T. B.M.W. members before the first of October will pay \$2 each instead of \$5 (and of course will be expected to assist the Committee at the Rally in any way they can). However, those received after the first of October will have to pay a late fee of \$5 each. So get your entry in as soon as possible to assist the Committee to meet expenses etc.

The last, but not least point, the Police have advised that they are 'cracking down' (whatever that means!) on motorist (and motorcyclists) that 'Race the Amber' at traffic lights, as there have been a number of bad accidents (some fatal) at traffic lights lately caused by people accelerating to beat the red light and not making it (literally). So be warned, slow down if the lights are about to change, and, more importantly - watch out for 'the other guy' who is coming along the other road when you are waiting for the green.

Till next time, ride safely.
