FROM THE PREZ

Hi,

We come again to grace your mail box with our presence (well, at least our Journal ...)

The Kosciusko Rally was a big success and for those that couldn't make it to (or turned back before reaching) the rally site, a report appears later on in the Journal to let you know more about it.

I would like to take this opportunity to thank those who helped before/during and after the weekend and to thank the other Members of the Committee on behalf of the Club for all their efforts in organising the rally and for the extra work required beforehand. I am sure it was appreciated by all who turned up on the weekend. We would also like to thank Jenny Hamer for making our flag.

At the last meeting it was decided to hold the '83 Rally about the same weekend in October at the same site, so make a note on your Calendar now.

Bill and Werner and I checked out the Austrian Club as a venue for our monthly meeting and found it very suitable. However the 9 of December had already been booked so we will meet there as from 13th January (if everyone else is happy with the arrangements). So the next meeting is at my place in Kambah for a B-B-Q - Supper - and viewing of the video tape of the Rally (edited highlights anyway). Bring your own meat etc. (or salad for the vegetarians) and the club will provide some extras (wine and munchies). Hope you can make it along for the last meeting in 1982. (See elsewhere for details of the Club run).

Thanks again for those that helped make the Rally a success and until next time,

Ride with Care

Christopher Fulker

P.S. Thanks to Frank Millward for volunteering to be Club Librarian.

NEXT RUN:

This months run will be the Economy Run on Sunday 21st November. We will be meeting at 9.00a.m. at the Cinema Service Station in Bunda Street, Civic. Entry fee to be \$1.00.

A BYO BBQ will be held afterwards at Corroboree Park, Paterson St, Ainslie and presentations will be made then.

NEXT MEETING:

The Club will be meeting at Chris and Ann Fulker's place in Kambah on Thursday 9 December at 6.30 p.m. for a B.B.Q. and video of the Koskiusko Rally.

Any members with any books or magazines which they may find useful to other members please send in (or bring to our next meeting) so I can make up a register of books, magazines etc. and where they are located so I can advise members where they can be reached.

DO YOU HAVE ANYTHING TO SELL?

Don't forget that free advertising is available through this Journal!

TIMS 'SPEEDY' SHOE REPAIRS/60 MIN DRY CLEANERS, SHOP 3, WALES CENTRE (NEAR STEPS BESIDE ELECTRICITY HOUSE), THE BOULEVARD.

Has done very good job on boot repairs - cheap - also repairs gloves and other leather goods. Check to see if you need repairs before Christmas trips etc.

KOSCIUSKO RALLY - FACTS & FIGURES - Bill Searl, Treasurer

The rally was financially very successful for the Club as shown by these figures -

304 prepaid entries were received
40 of these people did not turn up
224 badges were sold at the rally
500 people (approx.) came to the rally
37 T-shirts were screen printed

\$2,477 was received from badge and screen print sales
\$1,394 was spent by the club on the rally
\$1,083 is the overall profit.

It is intended to invest some of this money in a term deposit account for next year's rally. Also the Club is investigating the cost of its own badges/stickers. Some of you may have other ideas?

As our rally badges next year will cost a little less we are in a strong position to make the 1983 Kosciusko Rally even better than this one.

The Victorian BMW MCC has sent us the forms (attached). If you are interested please return the completed form to the address shown on the form or bring them along to our next meeting.

The Club wishes to congratulate Jenny and David Hamer on the recent birth of their daughter.

PROPOSED AUSTRALIAN BMW CLUB TOURING GUIDE

The New Zealand BMW Owners Register has recently compiled a Touring Guide, which is a list of their Club members willing to offer assistance to fellow Club members who may find themselves in trouble when away from home.

In Australia we have ATMA and while this is a worthwhile organization, many BMW Club members from all states may feel more at ease contacting another BMW club member if they are in trouble.

The services offered will be for emergency situations and are offered at the discretion of the host, who is under no obligation to provide assistance if it is not convenient.

To assist you to identify what service you can offer, all relative areas are stated below. Simply check any box that you feel that you can accommodate.

- I am not able to offer any service ()
- I have a trailer and can collect a broken down bike from kilometres ()
- I have workshop space and tools to do normal repairs ()
- Any member is welcome to drop by for coffee & a chat ()
- I have camping space (tent) ()
- I have sheltered bedroll space ()
- I have a spare room for overnight stay ()
