The Membership Secretary  
BMWCCACT PO Box 4042 WESTON CREEK ACT 2611

Please advise the Membership Secretary of changes to your contact details.

### Activities:

The What's On page lists Club runs and social events in this magazine. The Club endeavours to have at least one organized run per month. Suggestions for runs and activities are welcome to the Ride Coordinator or the Social Secretary.

Whilst every effort is made to ensure that, the What's On page is accurate changes to meeting times and places etc can occur between publication dates. The Club uses email to remind Members of rides, activities, general information and late changes by email. If your email address has changed or your box is full, we cannot contact you, so advise the Ride Coordinator of changes to your contact details. Our website contains the most up-to-date information

Participants in Club activities do so at their own risk and are fully responsible for their own riding. Please obey the law at all times and ride with your safety and the safety of others in mind.

### Charity Support:

This Club proudly supports Marymead Child and Family Centre.

**.NEW ZEALAND 2011 - ROAD TRIP**

September and October 2011 will see New Zealand hosting the Rugby World Cup.

Whether NZ will win the William Ellis trophy is another thing, but well that's all the excuse I need to spend some time in the land of Long White Cloud, motorcycling around the country, enjoying the odd rugby game, and off course combing this with some great food and wine.

While plans are in the early stage, the only thing you can be sure of is that there are some great motorcycling roads to be ridden. For how long and on what bike, is yet to be worked out, but if you feel up to a few weeks of such an arduous event, and don't mind sharing some time with myself and Viv, then let me know by emailing me @ [vicepres@bmwmcc.org.au](mailto:vicepres@bmwmcc.org.au) or ring me on 0407 200 227

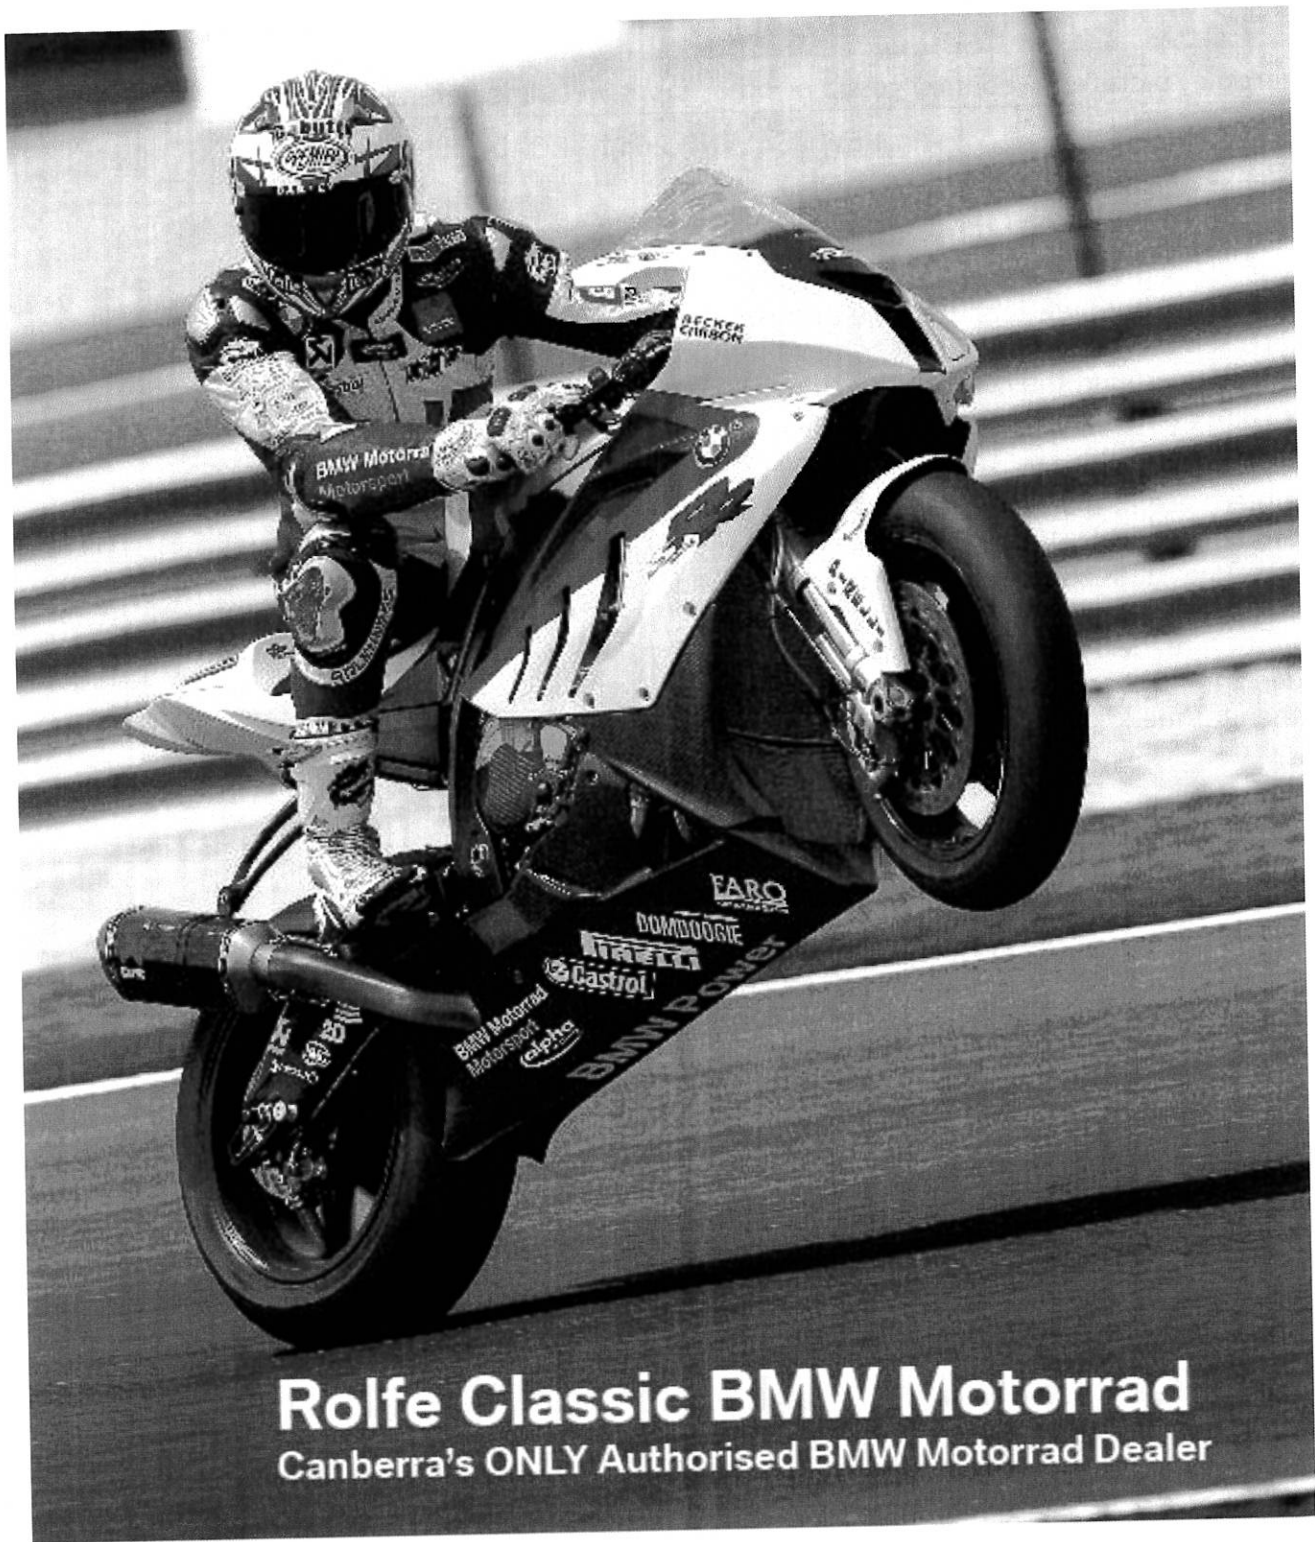

North Head, Devonport (Auckland) New Zealand 2005

Cheers

## Suitable for experienced riders and beginners.

Bowled over by the enthusiasm and commitment of BMW MCC ACT members, Dave Gibson and his team at Stay Upright have agreed to conduct another dedicated rider-training program for us. This time we have built on the successful program run in November 2008.

### Members' preferences

When asked members previously expressed a clear preference for a program focused on brushing up road craft skills, but with a component dealing with what to do if we:

- hit gravel unexpectedly (eg when 2kms of the road between Bungendore and Goulburn turns out to have just been dug up), or
- choose a route from A to B that just happens to be mostly gravel.

In other words, a slightly broader interpretation of 'road craft'

### Details of the program

Stay Upright designs programs like this all the time, and is happy to conduct one just for us. Details are as follows:

Date: Sunday 31 October 2010

Duration: All day (precise start and finish times to be advised)

Location: Sutton Driver Training Complex, plus a suitable local area with an appropriate dirt road.

Cost: \$210 per member (\$310 per head fee, less Club subsidy)

Maximum numbers: 22

### To reserve a place

To make sure you don't miss out on what promises to be an immensely useful skills improvement program for riders of all standards and seniority, please email Hugh the Club's Secretary ([secretary@bmwmccact.org.au](mailto:secretary@bmwmccact.org.au)) to register your interest by 1st July. The \$210 course fee or a \$100 deposit will be required by 1<sup>st</sup> August, with the balance payable before 1<sup>st</sup> October. Payment details will be provided to participants closer to the day.

If more people nominate than the program can handle, preference will be given to members who have not previously accessed a club subsidy for rider training and then early registrations. On the two previous occasions the Club has run rider training we have been able to accommodate all interested members, let's hope we can do the same this year.

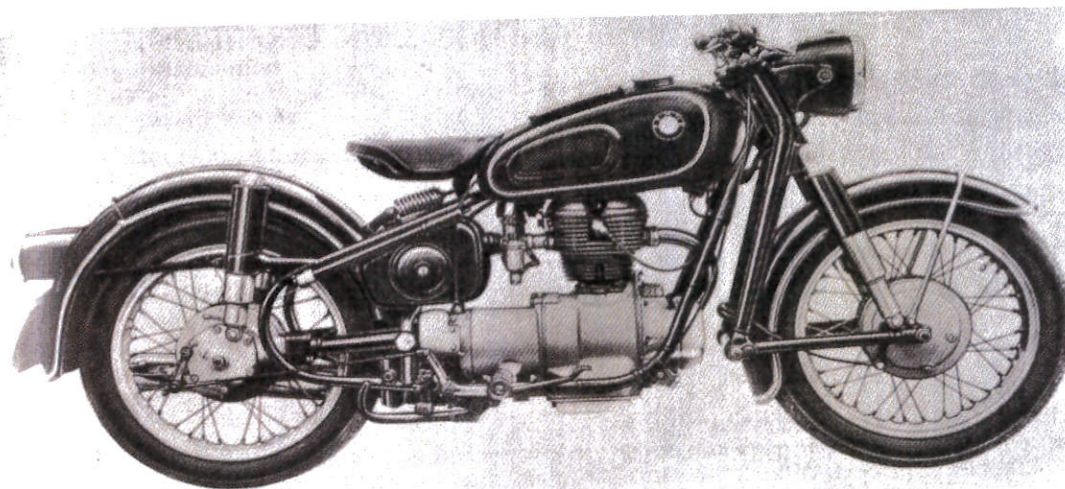

### Insurance

Participants in the program should be aware that checking with their insurance company re the status of their policy for participation in the course is their responsibility. The Club does not provide insurance for riders or equipment.

Club Secretary

Model	R 27
Production dates	1960 to 1967
Engine designation	226/2
Engine type	Vertical single cylinder, overhead valve, air cooled
Capacity	245 ccm.
Compression ratio	8.2:1
Power output	18 kW at 7400 rpm (1hp =0.745kW)
Ignition	Battery / coil
Lighting	60 watt 6 volt
Number of gears	4
Weight	162 kg
Fuel capacity	15 litres
Fuel consumption	3.9 litres / 100 km
Top speed	130 km / Hr
Engine numbers	372001-387364
Number built	15363

#### Notes.

This was to be the last of the small capacity single cylinder bikes to be built. It was not economically to continue as the cost of production and the introduction of other small bikes that were now on the market.

There were several notable changes to try to keep some market share. These were the mounting of the engine to try to eliminate the vibration, the addition of a spring cam chain tensioner to stop the rattle when the chain stretched, a pumper main jet in the carburettor to improve performance on acceleration, the moving of the points from the crankshaft to the camshaft and moving the HT coil from under the front engine cover to under the fuel tank.

The engine was now done with 5 rubber mounts, 2 on the front of the cam chain cover, 2 on the rear of the gearbox and 1 on the rear of the cylinder head. The rubber cam chain tensioner was mounted on 2 of the existing bolts of the front crankshaft bearing plate. The pumper main jet in the carburettor was controlled by the needle and to get it to work the throttle had to be closed completely so the needle would push down the piston in the pump and when the throttle was opened a small quantity of extra petrol was pumped up the main jet.

# GS 30<sup>th</sup> Anniversary Rally

23<sup>rd</sup>, 24<sup>th</sup> & 25<sup>th</sup> July 2010

Our beloved GS will be 30 this year. Australia will be honouring the birth of adventure tourers at Riverwood Downs, set in the beautiful unspoilt Monkerai Valley 25kms north west of Dungog. ([www.riverwooddowns.com.au](http://www.riverwooddowns.com.au))

## RIDE MEETING POINTS

The Club nominates rendezvous points for rides and/or alternative breakfasts; these will vary according to the destination. They are usually one or some of the following:

Red Rooster, Queanbeyan (on the Bungendore Road, just near the corner of Yass Road, opposite Spotlight).

Caltex Service Station, Watson (on Northbourne Avenue).

Hall Lay-By (on the Barton Highway one kilometre or so past Hall village, AKA Ben Hall Park on the NSW side of the ACT/NSW border).

Williamsdale (at the service station).

Rolfe BMW (outside the showroom in Phillip)

Bungendore (depending on the destination it is Bardys or the roundabout on the Tarago/Goulburn road).

Hi all

Firstly, I would like to say a big thankyou to Lyn for her contribution to the Club and production of the Magazine, no doubt awaited eagerly by you all. I would also like to thank our advertisers who support the Club and encourage you to consider their products when you are next in the market.

Whilst you eagerly read the Magazine for What's On and Minutes of Meetings, I also encourage you to contribute by deed, words or photos. Word smithing is not a prerequisite as you will soon see and no doubt comment on my efforts over the coming year. If you cannot think of any words, just send the photo and the caption. Pointers to other material is also welcome, but please note any copyright or as a minimum acknowledgment of the owner. Further, a quote or deed by a fellow member is also welcome, but remember that I will be attributing it the sender.

You will have noticed a change in layout. This has as much to do with time constraints and familiarity of program. However, positive critique and suggestions are always welcome by email to the [editor@bmwmccact.org.au](mailto:editor@bmwmccact.org.au)

Last one, if you want to see your picture and bike on the front cover, then it won't have been taken at Bungendore. I am sure we get too more interesting places as a Club or as individuals than here, as nice as it is.

See you out there...

**ACT BMW Motor Cycle CLUB GENERAL MEETING**

**22<sup>nd</sup> March 2010 - Rolfe Classic Motors**

Meeting opened 7.30pm.

**PRESENT:** Forty-nine members recorded in the attendance book

**Guests :** Three recorded in the attendance Book

**APOLOGIES:** Seven members recorded in the attendance book

Minutes of Previous Meeting

- Approved: Moved Martin Gilbert, Seconded Jimbo (Jim Read)

Welcome to members and guests.

New members: Mark & Allan

### **Presidents Report**

Bob thanked all of the committee for their work this year and the support they have shown for him and the club.

- The most important and significant matter this year was the club name change with the associated logo, badges, web site, magazine and behind the scenes work including the constitution and other formal documents related to incorporation. A great deal additional work in many cases led by Fiona Oliver.
- Merchandising has now been made available to all members through the new provider. Details are on the web site and in the club magazine.
- Many excellent rides were coordinated by Mark Edwards (ride coordinator)
- The social side of the club has seen growth in numbers for a meal prior to general meetings. We have also seen strong support for breakfasts and alternative breakfasts.
- Rider training will be announced in the secretary's report.

### **Secretary**

Rider training will be held on Sunday 31<sup>st</sup> October. A detailed notice will be in the next club magazine. However, interested members should email the club's secretary to reserve a place.

Next meeting will be 19<sup>th</sup> April; our regular schedule would have clashed with ANZAC Day. At that meeting, there will be a demonstration on ear moulds.

### **Treasurer's Report.**

The balance of accounts is \$11,779 as at 22/3/10

The draft accounts for the previous year will be presented at the May meeting. The audited accounts will be submitted to the office of regulatory Services as soon as possible after that date.

### **Membership**

We have 173 members who have paid their annual subscription. Members who have forgotten are reminded they are due.

### **Ride Coordinator**

Mark reported on last weekends ride.

### **Web Master**

Graeme reported that since changing ISP to Grapevine, all has run smoothly and we are experiencing no problems.

### **Editor**

Lyn thanked all members of the club for their support and assistance in her role as Editor.

### **Social Secretary**

Sue drew members' attention to Christmas in Winter at Beechworth as well as the regular functions. Next alternate breakfast will be in Crookwell.

## Club Person of the Year

Fiona Oliver was awarded Club Person of the year. Fiona has led the members through the detail of the changes we made this year. She has made what could have been complex and overwhelming an understandable and clear process. She has made presentations to meetings, conducted on line voting and general meeting votes, completed constitutional changes and met all of the requirements of the Act Office of Regulatory Services. All of the above and more was done professionally with a smile on the dial. Thanks Fiona.

## OTHER BUSINESS

Bob thanked Rolfe Motors, Ron, Josh and Steve (the cook) for their hosting of the evening. Members showed their appreciation for the fine BBQ, sales items and general assistance throughout the evening.

On behalf of the Dealer Principal Patrick, Ron thanked members for attending.

Meeting closed

## **BMW Motor Cycle CLUB ACT COMMITTEE MEETING**

**Tuesday 6<sup>th</sup> April 2010 The Little's, Farrer**

Meeting opened 7.30pm

### Present

Hugh Davies, Mark Edwards, Ian Hahn, Sue Ball-Guymer, Martin Little, Garry Smee, Alan Walsh, Martin Robertson

### Apologies

David Shean, Steve Hay,

### **President:**

- Mark welcomed to the new committee for the year. Mark reiterated the importance of open discussion making and keeping decisions to the meetings. We should attempt to avoid the need for out of committee email and other discussions.
- Mark acknowledged immediate past committee and their efforts on behalf of the club.
- Mark led a general discussion about Rolfe's relationship with the club. It was agreed that we would implement a single point of contact for this discussion and that would be the Club President.
- A general discussion on the types of stickers and banner to be purchased for the club resulted in a decision not to buy a flag, to purchase two types of stickers and replace the old banner.
- Merchandising has identified a problem with the size of the roundel for production of clothing etc. Martin to take this up with BMW through Club's Australia.

### **Social Secretary:**

Locations for alternative breakfasts were discussed and agreed upon. Preliminary discussion on the Christmas function was held with a detailed discussion at the May meeting. Numbers for dinner at the Club prior to General Meetings is growing and members will receive an email asking them to notify the club so that sufficient staff can be rostered on for the increased attendance. Christmas in winter at Beechworth with BMW MCCVic has currently got 23 members attending.

A detailed list of activities will be posted on the Web site, Club magazine and emailed to members.

### **Ride Coordinator**

General discussion was led by Martin. The program of rides will be published in the magazine and on the web site. The list will include day rides, weekend rides, and a week long ranges ride starting on 27th September. Email reminders will be sent to members. Mark will contact NSW Touring Club about a possible joint weekend activity.

### **Editor**

Garry led a general discussion about the magazine and its content. It was agreed that contributions should have a focus on riding and general information to enhance the experience of being a BMW owner. Contributions should be sent to Garry ASAP. Late and last minute postings may not make it due to work and other commitments.

### **Web Master**

Alan led a discussion about the web site and proposed the implementation of a content management system. As secretary the technical stuff was beyond my understanding but it sounded good. My notes made no sense so I'll leave it for you to see the results as they unfold over the coming months.

### **Secretary**

Update on Rider training. Notice to all members in the next club magazine and on the web site.

April edition of NSW Touring Club Magazine with Ian Hahn.

### **Membership**

Currently 196 financial members and 136 memberships, 108 have yet to renew.

### For Sale - 1<sup>st</sup> Month

BMW Repair Manual R60/7 - R100RS \$40; BMW Multivario Tank bag (c/w magnetic base, elastic straps, expanding and rain cover) \$100, suit most flat tank c80's BMW or consider motor bike to sit under tank bag and of use for manual. Call Garry on 62915901 ah.

I am wrecking a 2005 K1200S in the ACT region. The bike had the works, including Powercommander, ESA, ABS, HID, GPS, etc. Tyres/Wheels and K&N Filters already sold.

I am using the engine and brakes for a Hillclimb special and am wrecking the remainder. I'm using aftermarket injection so don't need ZFE unit or ESA controller. I'm not willing to sell the Diff just yet, as I may be adapting it to the car... unless a small enough and suitable LSD independent rear end becomes available. Please pass the word around, as I would like to see the parts go directly to a needy BMW owner as opposed to bypassing the BMW by going through a wrecker and hence increasing in price.
