#2 September 2018 & National Motorrad Rally

Dear {Contact_First_Name},

Welcome to this supplemental September edition of Club News and special mention to our newest members Andrew Clark (F700GS) and Rich Dean (R1200GS Rallye). Please make them welcome on their first and your next ride.

The riding and social calendars are quiet in part as the Club has not been able to find volunteer members to fill these positions or take on other committee roles to free those members up that may want to coordinate these aspects of club life. Please see or email me if you are interested, would like more information, can only take it on part-time or with a mentor.
