

BMWCCACT News

May 2021

Dear {Contact_First_Name},

Please join me in welcoming our newest members Olivier Jacques Grandjean (K1600 GT and R1200GS), Alan Harding (F750GS), John Hines (1250RT), Dan Humberstone (F800GS) and Peter Clarke (K1600GTL). I look forward to meeting each of you on a ride and for our current members be the first to say 'giddyay'.

Committee and Club Meetings. Typically Club meetings will be the first weekend of the month and include a ride to...and posted to What's On. Committee meetings are second week and I'll include the Minutes to the News starting here for feedback [20210509 - BMWCCACT Committee Meeting Minutes.pdf](#). Please see or email me or committee member if you have any questions.

Rider & First Aid Training Subsidy. As we move in to the 2021 Club year, the committee has endorsed continuing the rider (\$100) and first aid (\$50) training subsidies for members in their 2nd financial year. Details are on the website [Member Rider & First Aid Training](#).

Joint & Joint+ Member? What's the difference? The Club has single, joint (2), life and complimentary memberships. The prime joint member is the **one** who gets the emails and event notifications along with the membership renewal. Does your partner want his or her own emails as a Joint+ member. Then send an email with your name and email address along with the name of the prime member to members@bwmccact.org.au. There is no charge for this service and both members will get emails but only one renewal invoice.

Club's 40th Anniversary 2021. The Club is celebrating 40 years with subsidised shirt/clothing embroidery and limited edition collector coffee mug for \$5, see [BMWCCACT Merchandise](#).

Members voted on the name change to BMW Motorcycle Club Canberra Incorporated (BMWCC) at the AGM. The change in Association Name has been lodged and new domain name www.bwmcc.org.au registered. The website will transition in coming months and after NMR21. BMW Ag and BMW Club and Community Management (who oversight the 750+ Official Clubs and 250 000+ members) are looking at the new logo as part of BMW's global brand refresh. Thanks to Cameron Major for the artwork.

What's On. The most current information is on the webpage, you will not need to log in for public events but will for Club member or restricted events. Registrants will get personalised emails and updates to events or make sure to check before leaving home. COVID-19 health requirements mean the Club needs to keep a list of registrants along with you QR code checking in at venues. I'd expect this to continue through to the end of 2021 if not longer.

National Motorrad Rally 2021. I am pleased to see 22 members and partners have registered to the rally your club is co-hosting. Its not to late but getting there. We are narrowly ahead on BMWTCNSW members. Click for details [BMWCA National Motorrad Rally 2021 \(NMR21\)](#).

Christmas in Winter. Last call for a member(s) to volunteer organising this annual get together with the BMWCCVIC on Saturday 24 July. Your committee has a coordinating role not a do everything role. Contact me if you are interested or have any questions.

Club Member Rides. Having recently freed from paid for or turn-up to work shackles, I am planning on some weekday rides, once the other (non-paid) work eases up. As they say, how did you find time to work :) So keep an eye out for the ride emails and remember if your looking for a riding partner use the Club Facebook group or email rides@bwmccact.org.au with ride

For a riding partner use the Club Facebook group or email rides@bwmccact.org.au with ride date, time, meeting point and basic details. The greater the notice the more likely you will get your ride up on the website.

Concessional Registration Scheme (CRS). Only of interest to owners of 30+ year-old motorcycles registered in the ACT, but the Club is affiliated with the Council of ACT Motor Clubs and can offer CRS to financial club members. The ACT government has agreed to and working towards implementation of a 60 day private plus endorsed Club event use registration for CRS vehicles from 1 July 2021. Details [BMWCCACT Concessional Registration Scheme \(CRS\)](#)

I'll close having included more hyperlinks than a corporate policy document but the website offers more than just the What's On event calendar.

See you on a Club ride or event and keep safe

Garry Smee
President & Chair BMWCA
