June 2021

BMW Motorcycle Club
Canberra

Dear {Contact_First_Name},

I write this month's News on day one of Canberra's COVID-19 lockdown and mask wearing health directions. Having been in Melbourne for part of the Victorian lockdown, can only hope that we get through this sooner rather than later and encourage those of you who can, to go and get jabbed.

Ride Coordinator Cameron is currently travelling north up the Darling River with a team of dirt (mud) enthusiasts and I managed a ride with Dave Morgan to 3 towns looking for lunch, masks on, yesterday. The point being the Committee will continue to plan for COVID-19 safe rides and posted to [What's On](#) and ask your support by registering and following the ACT, NSW and other jurisdiction COVID-19 health precautions.

Christmas in Winter, Club Event

My thanks to Club member Alison Gilbert who has offered to organise our turn in hosting the BMW Motorcycle Club Victoria and Christmas in Winter dinner on Saturday 31 July 2021. For details and to register click on [Christmas in Winter - Joint BMW MCC & BMW MCCVIC \(Club Event\)](#).

National Motorrad Rally 2021

Your club cohosted NMR21 with the BMW Touring Club NSW and BMW Owners Club South Australia over the June long weekend in Condobolin NSW. Those that went had a great weekend and whilst the weather was crisp we had riders from the Gold Coast, regional Vic, South Australia and NSW Clubs. The 75 registrants spent an estimated \$32,100 in Condobolin on accommodation and incidentals, \$3285 at the Condo RSL dinner and supported youth group Down the Track with \$1555 for catered meals and a raffle donation of \$1100. DTT are thinking on what they would like and yet to get back to us. Well done to all those that came along.

Canberra BMW Motorrad

Rolfe Classic BMW has undergone a name change and invited Club members to a 'Behind the Scenes' tour of the workshop. Shane (Service Manager) Martine & Bec (Marketing / Support), Michael and Liam (Sales), Glenn (Service Advisor) and Mitchell (Workshop Lead) made our 30 Club members welcome and having provided a generous BBQ dinner then demonstrated BMW Air (factory online tech support to Dealer workshops), answered members questions on sales, spares, mechanical topics and 'how do I...' and offering members first buy on the sales table.

Canberra BMW will offer 10% discount on full priced items including service, workshop, parts and accessories to financial Club members (T&C*). Members will need to show their membership card and final details are being worked out, TBA.

Until then take advantage of the BMW Australia Winter Service offer and opportunity to get yourself a \$150 voucher to spend on BMW lifestyle accessories. Offer ends 31 July 2021 so click the picture for details and T&C.

Winter riding offers its own rewards, so why not add that extra layer or buy that heated jacket you always wanted and get out on the road by yourself, with friends, other members or the Club. And if you are looking for riding company join the Facebook group for a quick post or email some details to Cameron at Rides@bwmccact.org.au.

Enjoy your ride,

Garry Smee
