

BMW Motorcycle Club Canberra

Mid-January NEWS

BMW Motorcycle Club
Canberra

Dear {Contact_First_Name},

I want to remind you of some upcoming events that require advance planning on your part, that not only will support our Club but help the event organisers in their planning.

The last almost two years of Covid-19 made all our lives difficult and the big events were not the only ones being delayed, cancelled, re-planned and subject to changes on the fly. Our Club events were not immune and with ACT and NSW vaccination levels amongst the best in the world and roll out of booster jabs well under way you may have regained confidence to start planning and riding.

[BMW Club & Community Management, Webcast #6](#). This webcast comes from BMW Group Classic Museum in Munich and presented by the team at BMW Club & Community Management. Originally offered as a global but 0400 AEDT offering, BCCM has responded to BMW Clubs Australia request for a friendlier time. For the next 3 months the webcast will be at 2000/8PM on the last Friday of the month. You will get an invitation email and the webcast is listed on What's On.

Importantly or refreshingly, the English webcast commences at 2000 and only lasts 30 minutes covering an aspect of BMW's car and motorrad history. You need to download MS Teams free software and logged on before 2000. Instructions and how to register are in the link and if you could use your first name and BMWGCC as your profile info will help BMWCA count numbers. You are asked to turn your camera off and microphone muted to preserve bandwidth and use the chat feature for questions that are answered at the end time permitting.

I encourage you to have a look and having watched the last few, even the 0400 ones can attest to their interest value.

[Hummertopf \(Lobster Pot\) Rally, BMWOCSA \(Club Event\)](#). The BMW Owners Club South Australia biennial rally is in Robe SA this 13-15 May 2022. The SA Club has asked intending rallyists to register to assist their planning and catering as it is at a booked venue.

I and some other members are leaving Canberra Wednesday 11 May 2022 to arrive in Robe on Friday 13th and return through the Flinders Ranges . Or you can make your own way back home. If you are thinking of going, register on our Club page and download, complete and send back the BMWOCSA Hummertoph Rally form.

[National Motorrad Rally 2022, BMW Motorcycle Owners Club Gold Coast \(TS3\) \[Club Event\]](#) will be held over the June long weekend 2022 at Koralbyn Resort, Scenic Rim, SE Queensland. Putting ACT/Qld politics to one side the BMWMCOCGC news this week is the 100 held rooms were conditionally offered with 10+ revoked each month to be offered to the general public. The current 3 day rally room rate is equal to the public booking rate for one day now the borders are open.

Click on the link to register. YOU need to book and pay for your room directly with Koralbyn Resort and separately REGISTER to the rally and pay BMWMCOCGC.

Last one, join fellow members for the free [BMWMC Australia Day Breakfast BBQ](#). The Club has a new generator so espressos will be the order of the day. Stay and chat or join the ride to be decided on the day.

Enjoy your ride
