Dear {Contact\_First\_Name},

Welcome to Chris Smith (K1600GTL) and winter :). With our first snow on the Brindabella's along with a wet, windy and decidedly chilly start has necessitated a change in jackets and layered clothing when going out for a ride.

Following last month's BMWOCSA *HummerTop Rally* (Lobster Pot), a similar number of and some same Club members will be leaving for the BMW *National National Motorrad Rally* in Koralbyn SE Queensland this June long weekend. I'm looking forward to a break from the rain and cold, but the forecast looks like I may get the opportunity to ride in the snow again.

*Club members enjoying the Robe Town Brewery tasting organised by and with BMWOCSA members at the Hummertoph Rally*

**BMW R18 Raffle.** Canberra BMW has donated their 'wrap' winning R18 to the Ricky Stuart Foundation who are raffling it off with 75 x \$500 tickets. The Club is running a syndicate ticket of 10 x \$50 tickets with details here [Purchase a BMWMCC Syndicate Ticket\(s\) in the Ricky Stuart Foundation R18 Raffle supported by Canberra BMW](#). Don't forget to mention your membership and ask for the 10% discount on service, accessories, lifestyle and parts offered by the Dealership.

**What's On.** Our Ride Coordinator Karen has been out and about plotting Club rides for members. We are one of the more active riding Clubs, so give Karen your support and do not forget - members are encouraged to suggest and even lead rides to your favourite location. You can email Karen at [Rides@bmwmcc.org.au](mailto:Rides@bmwmcc.org.au).

You, your guest and visitors are encouraged to use the RSVP or register options to events as this helps in planning, direct email updates or late changes and tell venues the number expected. Cannot make a ride? Then most events not requiring pre-payment allow for YOU to cancel from the website or Wild Apricot Member app available in the online app store of choice. Whilst most events are open to the public, member only events will require YOU to login to view them.

The small number of Club members and their supporters raised \$878 for the Distinguished Gentleman's Ride and men's health in 2022. Well done and continues the Club tradition of supporting charity events.

**BMW Off Road Rider Training** is coming to Canberra. Financial Club members can access the Club Rider Training Subsidy (T&Cs) and if you're interested check out the BMW website [https://motodevelopment.formstack.com/forms/2022\\_gs\\_ort\\_reg](https://motodevelopment.formstack.com/forms/2022_gs_ort_reg). These courses are popular and sell out quickly. The Canberra courses planned for September are new, so don't let it go to waste if you are interested.

I look forward to catching up with you at a Club Meeting or Event so don't let winter see your motorbike pushed to the back of the garage. If you have any questions or suggestions, as always, contact your Committee or me in person or by email.

Enjoy your ride

Garry Smee
